Transforming Fear Into Courage: How to Love Yourself and Live Your Divine Destiny

Has fear ever stopped you from doing the right thing? Or made you hide your true self from others? Have you ever hesitated in doubt and fear while you let a golden opportunity slip away from your reach? We all have. Yet, those who possess the courage to break past their fears live extraordinarily richer, more fulfilling lives.

Michael will guide you in an exploration of the true nature of fear and provide simple, but powerful psychic tools to transform it into courage. During a magical day filled with laughter, tears and profound insights, you'll discover how to love more of your inner being and live the life you know you were meant to live.
