Psychic Tools and Life Mastery Practices for Living Your Soul Purpose

Level 2 - Live TeleClasses Begin Saturday, May 19th

***Spiritual Practices to Begin Mastering Psychic Energy
and Your Mind to Live Your Soul Purpose***

(18 TeleClasses + 2 In-Person Weekend Seminars)

To live our soul purpose, we must not only realize that we are immortal souls, but we must also live that reality through our human mind and body. We are here in this school we call Earth, to learn to fully incarnate as divine souls. While much of humanity still lives as a body-based intellectual race, there are souls awakening to the need that they must learn to live a more spirit-centered intuitive life if they are to fulfill their true purpose for being here. If this seems even a bit familiar, you are one such soul. And, this requires that you begin learning to master, as a limitless, eternal soul, both the mind through which you are incarnating into this world and the use of your soul or psychic energy.

To help you begin your on-going process of learning to master the mind and psychic energy, we've developed, ***Spiritual Practices to Begin Mastering Psychic Energy and Your Mind to Live Your Soul Purpose***, Level 2 of our 6-Level Foundation Course, **Psychic Tools and Life Mastery Practices for Living Your Soul Purpose**.

You will be able to enroll in any or all of the Level 2 Classes at any time. After I give each "Live" TeleClass, the audio recording of that class will become available within 24 - 48 hours. Although the "Live" TeleClass is highly recommended, should you miss it, you can take it on your own as a download. It is also recommended that you go through each TeleClass at least a few times on your own to practice over time. You can enroll in as many or as few classes as you wish for Levels 1 through 4. However, if you are not already a graduate of AHA! or an approved clairvoyant program, it will not be advisable to take more than one or two classes in the higher level without fully completing the previous level. Successful completion of Levels 1 – 4 and our approval will be required before you will be allowed to take any Level 5 classes. For those of you who wish to be considered for participating in the SHAPE Community, you will be required to successfully complete

all the TeleClasses and Required In-Person Weekend Seminars through Level 5 and have our approval. For those who qualify, we will make available Level 6 of this course which will be the beginning of the New Intermediate SHAPE Course, the completion of which will allow you to participate in the Full SHAPE Community Courses and Events.

Some of you may be seeking to develop your own innate psychic abilities and make the shift to living a dramatically more spiritual and intuitive life. Others of you already know that you are here on earth at this time to help awaken many souls and are seeking the tools and practices essential to being able to fulfill your purpose. Either way, we welcome and encourage you to join us in our great new adventure.
