**Using Your Intuition:**  
*How to Find Your Own Answers*  
&  
*Navigate Your Life*

*“At times you have to leave the city of your comfort and go into the wilderness of your intuition. What you’ll discover will be wonderful. What you’ll discover is yourself.”* – Alan Alda, Award-Winning Actor, Best-Selling Author, TV Show Host  
& Founder of the Alan Alda Center for Communicating Science

Using your intuition is essential, if you are to discover yourself, know the truth, and wisely navigate through life’s challenges to your ultimate destination. You cannot fulfill your true purpose and truly enjoy life, without utilizing your innate soul ability to intuit your own answers. Albert Einstein, the most influential physicist of the 20<sup>th</sup> century, went as far as to say, “The only real valuable thing is intuition.” He also offered us his perspective, “The intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honors the servant and has forgotten the gift.” To live the life you are meant to live, you need to celebrate your sacred gift and guide your faithful servant correctly.

How do you use your intuitive mind more fully and celebrate this sacred gift? As with developing any ability, you need to learn the correct way to access and use your intuition, as well as pick up a few psychic tools to help you do so more easily. The rest is to consistently practice gaining certainty and trust in following your intuitive knowing and applying it in your daily life.

In this profound, inspiring, and illuminating workshop, world-renown spiritual teacher, clairvoyant visionary, award-winning author, and radio show host, Michael J Tamura, will teach you how to correctly access your intuitive knowing, follow through and act upon the answers that you discovered, and deal with the doubts that often come up in your rational mind. He will also offer you simple, yet powerful psychic tools that you can use everyday to develop and use your own intuition to navigate through the labyrinth of your life. Michael will teach you with loving wisdom and joyful laughter.
