He'll teach you how you can better communicate and work with your friends in spirit, so that you can more easily and joyfully fulfill the purpose for which you are here.

Your spiritual growth doesn't happen in isolation. Since we are all here essentially to learn to say, "Hello," from one spirit to another, we can only grow through communication and healing how we relate to one another. United we grow, divided we fall back and stop evolving. The popular image of the lone spiritual seeker renouncing the world and going up to the top of the mountain to meditate and reach enlightenment is only one phase of a soul's complete spiritual attainment. There comes a time along each soul's path to fulfillment, when it must come down off of that mountain to relate to everyone as the same one spirit as itself. One of the functions of every spirit guide and helper is to help its charge to know, see, hear, and communicate as spirit, to spirit. As we learn to communicate with and accept guidance from our non-incarnate spirit guides, we enormously accelerate our process of relinquishing the barriers we've erected to isolate ourselves from the whole of spirit. So, one of the fundamental jobs of every friend in spirit is to help us see our way out of our own self-imposed isolation and heal ourselves to wholeness.

Come join us for this delightful and illuminating workshop to leap forward in your spiritual awakening, healing and development!
