****Reclaiming Your Abundance of Joy****

Heal Your Loving Heart

&

See Your Way Clearly

What is the source of joy in your life? Is it a beloved child's laughter? Your dog's unbridled enthusiasm, when he welcomes you home? Does it arise in your heart, when you immerse yourself in creating a masterpiece? Or, when you surpass your previous personal best in sports? Do you experience it when you go into deep meditation and prayer? Or, does joy bloom in your heart, whenever you walk amongst the towering trees in the forest with your partner or gaze in solitude from a

mountaintop across the glistening still waters of a lake?

Many experience joy in little glimpses with often long stretches of time between them without much joy. Some people feel that they've never experienced joy. But, is that ever true? Or, is it more accurate to say that some of us may have forgotten those moments of joy that we've had at some point in our lives - like when we were little children or even infants? Yet, why would anyone ever forget or ignore his or her experience of something as powerful and as wonderful as joy? What would make you only enjoy its splendor so infrequently in your everyday life?

True happiness and the experience of joy are not to be found in particular things or people, however. After all, you are the one who is experiencing it - or not - within yourself. In fact, the person that seems to bring you great joy may, at times, not be experiencing joy within him or herself. How do you find that joy within yourself and live a happier life every single day, no matter what the circumstances may be in your life?

We welcome you to join us to discover the answers to these questions and much more in this soul-inspiring, third-eye-opening, heart-fulfilling weekend seminar with world-renown spiritual teacher, clairvoyant visionary, award-winning author, and radio show host, Michael J Tamura. During the course of this extraordinary weekend in Zürich, Michael will help you to reclaim much more of the abundance of joy that has always been and will always be deep within you. You will learn to heal the divisions in your heart and spirit that have made it difficult for you to experience more of the great joy life offers from within you. Michael will teach about the nature of happiness and the true source of limitless joy and guide you in bringing about more joy in your daily life. He will offer you powerful psychic tools and spiritual practices to help you develop your clairvoyance to see yourself and your life more clearly, heal your soul-self, and progress along your path. As you heal yourself back to your true, loving heart, you will realize more and more of the abundance of joy that is within you, waiting to be expressed.

We welcome you to come re-discover your true source of joy!
