Dear Friends and Awakening Souls,

Are you ready for 2021? Truly ready?

So many people have been begging to be done with 2020! Are you one of them? Or, will you be one of the courageous souls to look ahead to 2021 and set your new course for living and fulfilling your true purpose for being incarnated here on this third spinning rock from our sun? Rumor has it that 2021 will be chockful of surprises! Hahaha.....now, that could be good, that could be bad. Exactly what kinds of surprises am I talking about—and where did I hear such rumors?

Well, you know, I HEAR things. And, I SEE things. I even often KNOW things! Hahaha... Don't worry, I have a lot of commitment, but, I haven't been committed yet. Of course, you all can do the same things I do, but, sometimes you either don't pay enough attention to them or you just haven't gained enough certainty to follow through with what you discover for yourself—or both. The other little secret is that I pay attention to reliable informants in high places, not the local gossip and rumor-mongers. Plus, remember that the life you see is the life you live—past, present, and future.

Who are you listening to, what are you seeing, and what do you know in your heart of hearts about this coming year? January, being the first month of the year, is an important and opportune time to take a good look at all of this, make needed course corrections,

and set sail—and your energy—for not only living, but for celebrating your life in 2021. Don't let the year take you down as many people let 2020 do to them.

To help you gain your certainty of direction and clarity of vision, and create your next steps for your new year, we're inviting you to join us for our first Remote Weekend Event of 2021. On Saturday, January 16<sup>th</sup> and Sunday, January 17<sup>th</sup>, we'll offer our special 4-TeleClass plus Bonus Zoom Q&A Social Remote Weekend Event. Over the weekend, we'll teach what precognition, predictions, and prophecies have to do with your spiritual awakening and development; how you can make use of your mediumship and ability to have prophetic visions by communicating with angels, spirit guides, and masters of wisdom; how you can develop your own precognition, learn to look into the future and create your next steps; and how to travel to the past or future to heal yourself as well as transform the world without upsetting the time line or provoking an event paradox. That's a fully-loaded weekend of inner spiritual exploration, discovery, healing, and growing. But, 2021 looks to be a fully-loaded year! So, it's high-time to set-up our year for all of us to enjoy a more grace- and joy-filled year.

We'll even throw in our ever-popular Bonus Post-TeleClasses Zoom Q&A, Talk-Story, and "Ice Cream" Social half an hour after we finish with the final teleclass on Sunday. Anyone who attends any or all of the teleclasses would be welcome to join us for this Post-TeleClass Bonus Zoom Get-Together free of charge. Let's have fun celebrating our present and future, while we happily let go of our past.

We welcome you to join us!

May peace abound and God's Grace find you,

Michael
