**Psychic Communication in Your Life:
What It Is, What It Does & What To Do With It To Heal
Yourself**

You are a spiritual being. That means you are always and forever creating and expressing your creativity. We call that communication. Whether you are consciously aware of it or not, you are communicating yourself all of the time—even when your body is sleeping. How much of all that communicating are you aware of during the course of your day and night? And, if you are communicating all of the time, so is everyone else in the world. It's no wonder that sometimes it seems so noisy and confusing here in this world! Depending on what everyone is communicating psychically, it can affect us positively or negatively. What and how we communicate can heal us or make us unhappy or sick. It's most important to become more aware of the psychic communication in our life. Our life depends on it!

In this inspiring, enlightening and fun evening workshop in Zürich, world-renown spiritual teacher, clairvoyant visionary, award-winning author, and radio show host, Michael J Tamura, will share with you his life-transforming insights and psychic guidance about what psychic communication is, what it's purpose is, the various ways we psychically communicate, how it may be affecting you, and how to heal yourself by becoming more aware of it and making conscious choices in how you

communicate as the soul that you are as well as how to manage the various psychic communication you receive from others.

Michael J Tamura lives the miracle: Spiritually aware from childhood, he sees everyone the way he or she is - as an immortal soul. To guide thousands to their healing, awakening and true life purpose, he draws from years of intensive training, profound past-life recall, nightly out-of-body sojourns, over four decades of teaching and giving clairvoyant counseling, and a lifetime of extraordinary experiences, including returning from five near-death experiences.

Born and raised in Japan, yet educated in American schools, Michael has spent a lifetime bridging gaps: Not only between East and West, young and old, men and women, but, above all, between humanity and Divinity.

Today, the award-winning author of *YOU ARE THE ANSWER* (Wozu Sind Wir Hier? German Ed.), is working on his latest book, *Five Deaths and No Funeral: Lessons In Living The Miracle*, as he continues to provide psychic tools and spiritual practices to illuminate the way home for awakening souls. Michael has contributed a powerful chapter *Ihr Seid das Licht der Welt* in the book recently published by Licht-Herz Verlag in German, *Zeitalter Des Lichts: Manifest Eines Neuen Bewusstseins*. He is a featured expert in a brilliant new film, *PGS-Your Intuition Is Your Personal Guidance System*, by renown director, Bill Bennett. The multi-award-winning film director also interviewed Michael and his wife, Raphaelle, for his upcoming timely feature film, *Facing Fear*. Michael and Raphaelle, also host the enlightening and entertaining weekly hour-long radio show, *Living The Miracle with Michael and Raphaelle Tamura*, heard globally online on the VoiceAmerica.com Empowerment Channel. His teachings are offered through his acclaimed seminars, teleclass courses, writing, media appearances, special events, and audio products. For Michael, every step in life offers a golden opportunity for healing, miracles, and the fulfillment of one's divine purpose.
