Live Your Psychic Life

&

Navigate Through The Global Transformation

The life you are living everyday on the physical level is just the tip of the iceberg of your whole life. A much greater part of your life is your inner life—your soul or psychic life. You live your psychic life 24 hours a day. Even while your physical body sleeps or you think you aren't doing anything, you are living your psychic life. In fact, what some people believe would be their afterlife that would follow their physical life is their psychic life, which they are already living today. Yet, most people rarely know that they are living their psychic life no matter what is happening in their physical life.

Your psychic life animates your physical life and drives every aspect of your life experience. For example, even if people believe they are happy or unhappy due to what happened to them, their experience is never caused by an external event. What you experience in life is always a result of the inner choices you make in response to everything. If you are not aware enough of your inner psychic life that you are living, you cannot experience freedom or joy. You would be at the mercy of

whatever befalls you throughout your physical life. Yet, when you learn to not only become more aware of your psychic life, but live it fully, you will discover your true purpose and happiness, regardless of world conditions.

Living your psychic life is more important than ever before as humanity collectively awakens, precipitating this major global transformation. Many of the upheavals you have been experiencing all around the world are all parts of this great process of change—old untenable structures of society have to crumble to make way for a new, healthier, more enlightened and sustainable way of living together. It is all part of a planetary healing process, but some aspects of the process are tumultuous, unpredictable, and challenging. Taking care of your psychic life is crucial for you to safely and joyfully navigate through these extraordinary changes that are happening and will continue to happen for decades to come.

In this inspirational, illuminating, and joy-filled evening workshop in Zürich, world-renown spiritual teacher, clairvoyant visionary, award-winning author, and radio show host, Michael J Tamura, will share his life-transforming insights and psychic guidance about your psychic self and life with you. You will learn how to find your true fulfillment and happiness through these turbulent, transformative times. Join us for this empowering, life-changing evening.

Michael J Tamura lives the miracle: Spiritually aware from childhood, he sees everyone the way he or she is - as an immortal soul. To guide thousands to their healing, awakening and true life purpose, he draws from years of intensive training, profound past-life recall, nightly out-of-body sojourns, nearly five decades of teaching and giving clairvoyant counseling, and a lifetime of extraordinary experiences, including returning from five near-death experiences.

Born and raised in Japan, yet educated in American schools, Michael has spent a lifetime bridging gaps: Not only between East and West, young and old, men and women, but, above all, between humanity and Divinity.

Today, the award-winning author of *YOU ARE THE ANSWER* (Wozu Sind Wir Hier? German Ed.), is working on his latest book, *Five Deaths and No Funeral: Lessons In Living The Miracle*, as he continues to provide psychic tools and spiritual practices to illuminate the way home for awakening souls. Michael has contributed a powerful chapter *Ihr Seid das Licht der Welt* in the book recently published by

Licht-Herz Verlag in German, *Zeitalter Des Lichts: Manifest Eines Neuen Bewusstseins*. He is a featured expert in a brilliant new film, *PGS-Your Intuition Is Your Personal Guidance System*, by renown director, Bill Bennett. The multi-award-winning film director also interviewed Michael and his wife, Raphaelle, for his upcoming timely feature film, *Facing Fear*.
