Be Your Truth

Know Your Love

Express Your Joy!

Would you like to be true to yourself, to be and live your inner truth? What would that take? What can you do to find everlasting love in your life? How would you know true love? Can you find joy in your life all the time? How would you find it? What would you do with it when you do?

How often have you asked such questions of yourself? You may have even stumbled

across some answers. Yet, have you been able to live those answers that you may have discovered? And what about those questions that have yet to be answered for you? How do you discover the answers?

None of the answers to these questions are hidden. They are accessible for everyone in plain sight. Then, why aren't more people finding those answers for themselves? The treasures are always in plain sight, but you cannot see them using your physical vision or your intellect. Seeing the truth requires using your clairvoyance, your inner spiritual sight. Knowing your eternal, unconditional love requires you to directly experience it intuitively. And to have more of the limitless joy of life, you need to access your true creativity as a psychic being and express it in your daily life.

As humanity, we are collectively being called to awaken to the truth of our being, to know and relate with one another in unconditional love. We are here to celebrate the eternal joyousness of life. While many are actively seeking this, many more are resisting making the inner changes required of them to do it. Now, more than ever, it is essential to live your life by clairvoyance, intuition, and mediumship if you hope to wake up. Know that you are a trailblazer here to explore this inner frontier and discover the many wonderful treasures held within you. It is time to learn, grow, and heal your psychic self to light the way for others. Start living your most joy-filled life and celebrate the grand adventure that you are on.

Join us for this profound learning and self-healing experience to discover your true purpose and ultimate happiness. What you learn and experience during this weekend seminar will certainly help you progress along your path. You will learn simple, yet powerful psychic tools and practices you can apply every day to become more aware of your psychic life. You can start living as the immortal soul that you are. You will gain insights into who you are and celebrate more of the joy that is a part of your psychic self. Michael J Tamura lives the miracle: Spiritually aware from childhood, he sees everyone the way he or she is - as an immortal soul. To guide thousands to their

healing, awakening and true life purpose, he draws from years of intensive training, profound past-life recall, nightly out-of-body sojourns, over four decades of teaching and giving clairvoyant counseling, and a lifetime of extraordinary experiences, including returning from five near-death experiences.

Born and raised in Japan, yet educated in American schools, Michael has spent a lifetime bridging gaps: Not only between East and West, young and old, men and women, but, above all, between humanity and Divinity.

Today, the award-winning author of *YOU ARE THE ANSWER* (Wozu Sind Wir Hier? German Ed.), is working on his latest book, *Five Deaths and No Funeral: Lessons In Living The Miracle*, as he continues to provide psychic tools and spiritual practices to illuminate the way home for awakening souls. Michael has contributed a powerful chapter *Ihr Seid das Licht der Welt* in the book recently published by Licht-Herz Verlag in German, *Zeitalter Des Lichts: Manifest Eines Neuen Bewusstseins*. He is a featured expert in a brilliant new film, *PGS-Your Intuition Is Your Personal Guidance System*, by renown director, Bill Bennett. The multi-award-winning film director also interviewed Michael and his wife, Raphaelle, for his upcoming timely feature film, *Facing Fear*. Michael and Raphaelle, also host the enlightening and entertaining weekly hour-long radio show, *Living The Miracle with Michael and Raphaelle Tamura*, heard globally online on the VoiceAmerica.com Empowerment Channel. His teachings are offered through his acclaimed seminars, teleclass courses, writing, media appearances, special events, and audio products. For Michael, every step in life offers a golden opportunity for healing, miracles, and the fulfillment of one's divine purpose.
