Dear Friends and Awakening Souls,

We're rapidly approaching the home stretch of 2022! In terms of Mother Nature's seasons, autumn is a time of shortening days and quieter times. Nevertheless, it is when you pause from all the hustle and bustle of daily living to quiet your mind that suddenly it may seem to become louder and chattier! When you first turn your attention inward to the stillness of spirit, your prior unattended mind chatter and clutter spill out into your heightened awareness. You then no longer can avoid the stack of dirty dishes piled up in the kitchen sink of your mind. You know it's time to clean up whatever you neglected in the past to bring yourself up to the present. Only then will you be able to enter into the sanctuary of heaven.

Now, more than ever before, there is a need to make time for eternity. And eternity is only accessible through the present moment. If you dwell in a web of regrets and disappointments, guilt and blame, you make yourself a hostage to your past and a fugitive to your future. When you make time for eternity, however, you free yourself and are welcomed into the undivided, loving community of Spirit. Learn to make further use of your innate gifts of clairvoyance, intuition, and mediumship and you will be able to fly beyond time and space and sing and dance with angels.

We invite you to join us for this incomparable weekend event of four learning and self-healing Zoom-Classes and a special bonus post-class Zoom Q&A, Talk-Story & Social to learn to use your innate soul abilities to step out of the confines of time and into the timeless freedom of Spirit. You'll learn to access your intuitive knowingness to discover the answers to your most important questions, to develop your clairvoyance to see the truth, and to use your mediumship to lead your support team of angels, spirit guides, friends, and teachers to support you on your path. You'll find inspiration, illumination, and joyous

laughter throughout this soul-enriching experience.

You're invited to join us in all or any of the four 2-hour Zoom classes we're offering during the weekend and anyone taking at least one of the classes during the weekend event can join us for our ever-popular bonus gift Zoom Q&A, Talk-Story and Social right after the last class on Sunday to help you integrate all that you've learned.

If you scroll down past this letter, you can read a short description of what's offered in each of the four zoom classes and the bonus Q&A. We're both looking forward to seeing you for this new set of remote classes!

May the Light of Truth illuminate your every step!

With gratitude, love, and joyous celebration,

Michael

**TSW22-11 ZC1-Why Wait? Know Your Answers Now!**

*Getting in Sync with Your Intuitive Knowingness*

You wouldn't wish to prolong any suffering you were experiencing, would you? Of course, not! So what would be the purpose of whiling away your time and energy trying to intellectually figure out the important answers you seek in your life? You don't have to wait for those answers. You can know your answers now, because the truth is eternal and lives beyond our experience of time. To access your truth, however, you have to turn your awareness inward to the limitless in this present moment. It is only in the present moment that you can get in sync with your inner spirit self to know the answer to every question you have about yourself and your life. Join us for this inspiring and illuminating class to learn how to tap your intuitive knowingness and simply know what you seek with awareness and certainty. This is also essential for the evolutionary step that humanity needs to take now.

**TSW22-11 ZC2-Winking with Your All-Seeing Eye**

*Having Clairvoyant Fun Seeing the Truth*

When someone winks at you, aren't they usually conveying a secret message? It could be a joke, something important, or an acknowledgement that you and the winker are the only ones knowing the secret. Whatever the message may be, it would be somewhat difficult not to at least smile when you are winking. So, why not wink with your all-seeing eye of spirit? Many people may still not know about their third eye, because it's not a physical sense organ of the body like your two other eyes. Yet, everyone has this third eye for the purpose of seeing the truth. It is an all-seeing eye, because it is the eye you use to see limitless Spirit within which is all. When you learn to correctly use your third eye to see clairvoyantly, you can ultimately see the truth of whatever you are interested in. And, it isn't until you start to learn to use your clairvoyance that you begin to see the higher purpose for which you are here in the world. One of the secrets to developing your ability to discern the truth is that you have to have fun doing it. All seriousness and no play makes not only Jack a dull boy, but you won't be able to discern the truth clearly. So, join us in this class to learn to have some fun using your clairvoyance and see more of the truth that you deserve to see.

11/13 Sunday 9 AM - 11 AM (PT) / 12 PM - 2 PM Eastern / 6 PM - 8 PM Central European

**TSW22-11 ZC3-Network of Angels**

*Using Your Psychic Awareness to Conduct Your Choir of Angels*

Angels are a kind of emissaries from God. When they are described in various scriptures, they tend to appear solo to convey an important message to someone. Yet, how can angels who are perpetually undivided in the limitlessness of Spirit not have a network of communication as they carry out their various divine functions? Angels are not lone wolves operating on their own in isolation. They all work together in harmonious communication. When you call upon an angel in some way, you are accessing not just one separate angel but the whole network of angelic intelligence and energy. In a sense, you're tuning into the choir of angels! So you need to learn to listen to and experience the whole choir singing to get the full message they are delivering to you. We welcome you to

join us in this class to learn to use more of your psychic awareness to not only listen to the choir of angels, but to conduct it. Any requests for an encore performance anyone?

**TSW22-11 ZC4-Spirit Guides, Spirit Support, and Spirit Community**

*Using Your Mediumship To Lead Spirit & Solicit Guidance*

You already know that Spirit is one. It just is, which means Spirit is never divided, always limitless and eternal. That also means that when that Oneness of Spirit expresses Itself into this divided world of time and space, it manifests as many beings. Yet, because Spirit is never divided, all the many forms fully representing Spirit work harmoniously as a community in relationship to guiding you. Once you become aware that you have a spirit guide who has been guiding you for a very long time, you need to expand yourself awareness to include all the spirit support that you have and the whole community of spirit guides, teachers, masters, and friends who are working with you tirelessly on your path of awakening. We're sure they'll encourage you to join us for this class to learn to use more of your mediumship ability to lead spirit and solicit spirit guidance. Yes, to truly receive the full support of spirit being offered to you, you eventually have to own being the leader of your spirit support team.

**TSW22-11 ZC5-Bonus Zoom Post-TeleClass Q&A, Talk-Story & Tea**

We'll invite everyone who takes part in at least one Zoom-Class during this weekend event to join us for this bonus Zoom Q&A, Talk-Story and Social after the last class on Sunday. It's an important time right after learning on this profound inner level to get together with others, who also went through the classes, and integrate what you learned and the energy you gained back in a more social space. Not only can you ask questions that you might have from the classes, but you'll also get to see some of your classmates and hear a little about their experiences and share a bit of yours with the group. This is a great time to have fun, chill, integrate, and continue to learn.
